THE PROCESS

ALL COMMISSIONS ARE FOR PERSONAL USE ONLY. DO NOT REPRODUCE OR RESELL. FOR COMMERCIAL COMMISSIONS, PLEASE CONTACT ME AT COMMISSIONS@MONOBUN.COM TO DISCUSS PRICING.

After you send me your form, I will send you an invoice. I work on a first-come, first-serve basis. Once I receive payment I will put you in my drawing queue!

If your commission is over \$100, you can pay 50% upfront and the rest when I finish your commission. I will only send you the hi-res drawing after full payment; I will send you a low resolution version prior so you can confirm your purchase.

Please be patient and keep in mind that the more complex your commission, the longer it will take me to complete. I may have other people in the queue before you, and I also have other commitments aside from art. Based on previous commissions, on average it takes me **1-3 weeks** to complete a commission once I've started it—the more complex the commission, the longer it takes to draw.

I will send WIP (Work in Progress) shots. Please respond back if you have any revisions to the piece or if you would like me to proceed. **If you do not reply to the communication, your commission will not proceed until you do so.**

Included in the price of your commission are two (2) rounds of revisions; any changes after your two rounds will be subjected to a 10% charge per additional round.

Once the commission is completed, you will receive a hi-res digital file. A lower resolution version will be posted in my gallery. If you would like me to **not** post your commission (private commissions) in my galleries, please let me know prior to the commission being completed. If you would like to sell or reproduce your commission, please specify this in your initial request form, prices are different for commercial work.

ACCEPTED PAYMENTS

Please note that at this time I only accept payment via Paypal, Interac E-transfer, or Square invoice.

DISPUTES & REFUNDS

I reserve the right to deny commissions and **all sales are final.** If you don't like your picture I will not refund your money. To avoid this, respond to WIP communication and tell me what you want changed before it's completed!

I will, however, refund your money if you've paid and I haven't started on your commission yet. You can cancel your commission at any time **before** I start it.
